

Unmasking Brain Injury

Art Exhibit

In recognition of National Traumatic Brain Injury Awareness Month, the Department of Health, Neurotrauma Supports presents the exhibit:

Dates: **September 18 – 28, 2018**

Location: **Hawaii State Capitol**
(Chamber level, fronting Capitol auditorium)
415 South Beretania
Honolulu, Hawaii 96813

Unmasking Brain Injury is a national project that uses art as a therapeutic tool for survivors of Traumatic Brain Injury (TBI) to express themselves and share with others their experience of having a TBI.

All masks on display have been created by Hawaii TBI survivors or family members.
